

I would like to express our support of K-LOVE and the service it provides in the San Antonio Texas area. K-LOVE has given me much hope in the trying times of today. Without being able to listen to uplifting Christian music and feel part of a larger community, life would be very difficult indeed. There are very few choices on the radio of Christian programming, but a large amount of secular choices - without this positive influence I believe that more people will become lost in a dying world. I believe that K-LOVE is in the public interest as the Christian community needs a place to turn to when the stresses of life become great, when someone that needs a friend to listen to them can tune into K-LOVE and call and speak with someone about their difficulties in life. K-LOVE provides a positive influence. My children listen to K-LOVE and it just promotes a positive atmosphere. Please don't remove K-LOVE from the airwaves.
